An Employee Owned Company

To Whom It May Concern:

I write this letter of recommendation based on our years of relationship with DOCEO Office Solutions for our copying and imaging needs. We had utilized many sources for our copying equipment, but had never found a reliable and capable partner until we began to utilize DOCEO. Their ability to match our copying needs and their equipment recommendations, paired with their service responsiveness, have solved our problems.

DOCEO goes well beyond the normal response that you expect from an office equipment supplier or copier supplier. They have completed everything that we've asked of them, including work that was well beyond their scope of work. We have developed an excellent relationship.

I would recommend DOCEO for any copier or imaging needs, and would certainly welcome any calls regarding our experience here at C.S. Davidson, Inc.

Very truly yours,
C.S. DAVIDSON, INC.
