

To Whom it May Concern,

For several years now, Doceo Office Solutions has been a supplier of copiers to Logos Academy. Over these years, we have found Doceo to provide excellent service, competitive pricing, and a commitment to helping Logos Academy succeed in our mission of educating students.

We are very aware that there are multiple providers of copiers and office solutions that exist in our local marketplace. While we have been approached from these other suppliers through their sales channels, we have found ourselves satisfied and well cared for by the folks at Doceo. The Doceo team is responsive, friendly, and quick to take care of an issue when it arises. We have found this aspect of our relationship to be the most helpful.

As you consider the various office solutions you have available, I would highly recommend that you give Doceo the opportunity to show you the same service that continues to satisfy the team at Logos Academy.

Sincerely,
